

IMPORTANT Webinar Access and Computer Requirements Information – Please Read

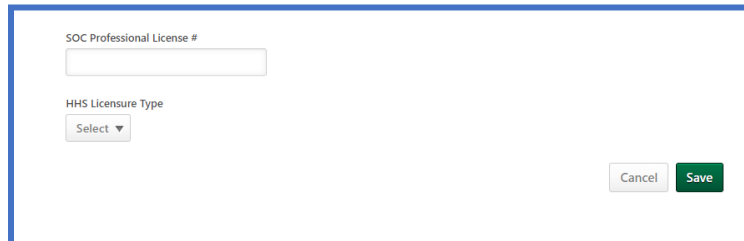

Please update your Placer Learns User Profile and note the Computer Requirements to access the Webinar.

- You will need to add your license number and license type to your Placer Learns profile in order to access the SimplePractice 6-hour webinar.

- 1) From your Placer Learns account homepage, click on your “My Account” under the cog in the top right-hand corner.

- 2) Enter your license number and use the drop down to select your license type, then click “Save” to update your user profile.

A screenshot of the Placer Learns user profile update form. It contains two input fields: 'SOC Professional License #' with an empty text box, and 'HHS Licensure Type' with a dropdown menu showing 'Select'. At the bottom right, there are two buttons: 'Cancel' and 'Save'.

- Once you register for the training, you will receive an email from simplepractice.com with instructions on how to access the 6-hour webinar. You will have 120 days to complete the webinar for credit.
- Completion credit will reflect on your Placer Learns transcript approximately two weeks after you complete the webinar.

Computer Requirements:

Please note: Internet Explorer is not supported.
