

6 hour SimplePractice Learning Supervision training logistics for Placer County

SimplePractice will provide access to the course *Supervision in Mental Health Care* (6 hours CE) to Placer County supervisors as follows.

Participants will need to provide the following information to receive instructions to access the course:

- First name
- Last name
- License state
- License type
- License number
- License expiration date
- Email address

Once a participant has been granted access, the participant will have 120 days to complete the course to receive credit. Additional access can be extended beyond that on a case by case basis, as requested by the participant.

Participants enrolled in the course will be able to contact SimplePractice directly (learning@simplepractice.com) for support while completing the course once they've been given access.

Course completion is the sole responsibility of the participant. Listed below are the minimum computer requirements to complete the course. SimplePractice is not responsible if a participant is unable to complete the course using technology that doesn't meet the requirements.

Computer Requirements:

Please note: Internet Explorer is not supported.

In addition to having the latest web browser, there are a few other requirements below that will help ensure your experience goes smoothly. Please make sure your desktop/device has the following:
