

# What are some topics you would like covered at future CCW meetings?

How are we serving our unserved and underserved communities.

status on meeting goals and objectives as CBOs

We are not doing enough due to lack of knowledge and contact with the underserved

How to reach out further to the LGBTQ community and mental health groups for kids and teens that are in the community.

Self care and personal trauma awareness for providers

Secondary trauma

racism as mental health crisis

More Bilingual/Bicultural Mental Health Therapists.

Service Gaps that the community feels exist and strategies to fill them

# What are some topics you would like covered at future CCW meetings?

More in person interpreters instead on on the phone or by platforms

continue to implement positive items that came from Covid, such as virtual meetings and services

Happy

We need prevention before intervention supports. We should focus on young children by empowering families

I am extraordinary

Talented

Laws regarding institutionalizing the mentally ill

Learning everyday

Loving

Create a positive affirmation about yourself today. Write one or two words to finish this statement: I AM .....
