

Cultural Broker Dialogue Series – 2022

(8 remote sessions March 2nd – June 8th)

Series Description

Placer County's Systems of Care (SOC) Cultural Broker Dialogue Series will bring together SOC staff and community partners to expand cultural awareness, facilitate rich cross-cultural dialogue, and build skills to effectively engage Cultural Brokers to improve outcomes for diverse communities. This 8-week, remote dialogue series will include group teachings, experiential exercises, and group discussions. Participants will be asked to explore their relationship to cultural awareness, engage in exploratory conversations around culture, and participate in discussions to identify strategies for improving health equity in Placer Health and Human Services.

Learning Objectives

- Participants will be able to identify at least one personal bias and one cultural stereotype;
- Participants will reflect on two conversations with a participant of a different cultural background and identify at least two methods to improve these conversations;
- Participants will be able to name two practices for effectively implementing the Cultural Broker evidence based model;
- Participants will be able to demonstrate two to three advocacy skills that are relevant to improving cultural equity in their community and/or workplace; and
- Participants will be able to apply three skills for improving services for participants from diverse communities.
