

# Applied Suicide Intervention Skills Training

## *What is it?*

A two-day suicide intervention skills workshop; participants learn to intervene and help prevent the immediate risk of suicide. Workshop features: presentations and guidance from two LivingWorks registered trainers; a scientifically proven intervention model; powerful audiovisual learning aids; group discussions; proactive skills development; a balance of challenge and safety.

Open to anyone 16 +. Please note: to maintain the fidelity of the training, we cannot permit more than 3-5 from one organization/district in each training.

\$25 due at registration. No refunds with less than a 14-day cancellation.

In a unique collaboration, The Placer County Office of Education, Placer County Health and Human Services, and KidsFirst work to improve mental health outcomes for individuals, families and our community. These trainings are facilitated by a collaborative training team made up of these partners and with funding, in part, by the County of Placer Mental Health Services Act.
