Clinical Supervision Training for New Supervisors—15 hours

Training Description

This Clinical Supervision training is a 15-hour, in person training held over two full-days and one half -day. It is designed to meet current California BBS requirements for new clinical supervisors. This live training will prepare supervisors for the full scope of current supervisor responsibilities. Topics include remote (video-based) supervision, supervision models, the nature and dynamics of the supervision relationship, supervision exercises, and common supervisor questions.

Learning Objectives

Participants will be able to:

- Describe at least two changes in legal requirements for supervision that took effect in 2022
- Describe at least three dynamics that can impact the supervisory relationship
- List at least five ethical responsibilities of supervisors
- List at least four steps on the "impact chain" necessary for supervision to affect supervisees' client outcomes
- Apply at least two supervision activities consistent with deliberate practice in individual and/or group supervision

Continuing Education

This course meets the qualifications for fifteen (15) hours of continuing education credit for MFTs, LPCCs, LEPs, and/or LCSWs as required by the California Board of Behavioral Sciences. Placer County Systems of Care, CAMFT-approved Continuing Education Provider #041035, maintains responsibility for this course and its content.

About the Instructor

Dr. Benjamin Caldwell is a California licensed marriage and family therapist and clinical supervisor. He is the author of five books, including *Basics of California Law for LMFTs, LPCCs, and LCSWs*, which is now on its 10th edition, and *Saving Psychotherapy*. He serves as adjunct faculty for California State University, Northridge. In his past role as Chair of the Legislative and Advocacy Committee for the California Division of AAMFT, he was directly involved in California's first-in-the-nation ban on reparative therapy for minors, and he drove the change in title from "intern" to "associate" for pre-licensed MFTs and PCCs. For his advocacy work, he was awarded the AAMFT Division Contribution Award in 2013. Ben maintains a private practice in Los Angeles, specializing in working with couples.

Target Audience:

This course is for clinical professionals licensed with the BBS who are or intend to be clinical supervisors. Licensure must be held for a minimum of 2 years in addition to requirements outlined in Â§1821, Â§1833.1 and Â§1870 of the BBS Statutes and Regulations. In order to provide supervision to all BBS disciplines, the prospective supervisor must complete an initial 15-hour training and 6-hour training every renewal period thereafter. Placer County Employees must get supervisor approval.

Schedule:

Registration will begin 15 minutes prior to the start of the training time listed on the flyer. Two breaks will be offered, one in the morning and one in the afternoon, at the trainer's discretion. Lunch will be one hour and on your own, tentatively from 12:00-1:00pm.

Course Certificates and CE Hours:

Attendees are required to sign in upon their arrival and sign out at the completion of the training. Within two weeks of the training date, attendees will be able to view and print their completion/CE certificate from the Transcripts tab in Placer Learns. Please note the number of course credits does not include the time allotted for registering, taking lunch, or other breaks. **Attendees who fail to sign out will not be given credit. Partial credit is not offered.**

Feedback:

Attendees are encouraged to provide feedback upon completion of the course. Learning Objectives will be available to review prior to providing training feedback. Participants will be directed to a Survey Monkey to provide Training Evaluation and Demographic information electronically. Additional feedback or grievances may be forwarded to the Workforce Education and Training Coordinator at (530) 889-7222.
